

2018 Reviewer Acknowledgment

In the year of 2018, *Virologica Sinica* received its first impact factor (2.415), which is an important milestone for our journal and marks an exciting new phase in the journal's development. We are extremely grateful for the support of our authors, readers, reviewers, and Editorial & Advisory Board members for their significant contributions made to the journal.

This year, we have published a series of high quality articles that are creative and interesting, with impact in both the near- and long-term. The editors of *Virologica Sinica* would like to thank the following experts and referees for reviewing manuscripts in 2018 (from December 1, 2017 to November 30, 2018). Your time and excellent work to ensure the high scientific quality of our publications are highly appreciated. Apology is offered to any other reviewer whose name has been inadvertently omitted.
