### Correction to: Virologica Sinica <https://doi.org/10.1007/s12250-020-00300-8>

The original version of this article, published online on October 19, 2020, contained redundant color in the legend of Fig. 1.

The corrected Fig. 1 is given below. The original article has been corrected.

**Fig. 1** Global geographic distribution of pregnant women with hantavirus infection.

The original article can be found online at <https://doi.org/10.1007/s12250-020-00300-8>.
